DU-COMM (DuPage Public Safety Communications) announces the hiring of a new Executive Director, Jessica Robb. Jessica is the current Watch Operations Manager for the City of Chicago Office of Emergency Management and Communications. She was selected from an initial applicant pool of over 20 candidates. After the DU-COMM Selection Committee (seven members of the DU-COMM Executive Committee) interviewed the top candidates, and Jessica was selected as the finalist. Prior to her position at Chicago OEM, she worked with the Orange County Fire Rescue in Florida.

DU-COMM Chairman, Mayor David Brummel, also a member of the Selection Committee, thanked the Selection Committee for the thorough evaluation of all candidates in developing their recommendation.

The appointment of Jessica Robb, by the DU-COMM Board of Directors, was unanimous. A mid-December start date is planned.
